"You gotta have style. It helps you get down the stairs.  
It helps you get up in the morning. It's a way of life.  
Without it, you're nobody. I'm not talking about  
lots of clothes."

"Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to road map to style. It's about self expression and, above all, attitude."

"Fashion is very important. It is life-enhancing and, like everything that gives pleasure, it is worth doing well."
